

Boston Neurofeedback Ctr., P.C.

Boston Neurofeedback Ctr., P.C. is an established clinic with an excellent reputation. We are looking for a neurofeedback professional who is comfortable working with a wide variety of patients in multiple treatment rooms three days a week. This individual will learn to give demos to prospective patients and provide QEEG. Preference will be given to a BCIA certificant or to an individual who is willing to be certified in a time frame of six months. Mentoring is available if needed. Please send a letter of interest attached to your resume to anitamy781@gmail.com.
