

Seeking Biofeedback Therapist for Pain Clinic

Family Health West

Family Health West is looking for a biofeedback therapist who is either BCIA certified, or in the process of being certified, to join our team. Patients have sustained work injuries, motor vehicle accidents and have anxiety and stress from changes in their function. Eligible candidates should have a BA in a health related field. Preference will be given to those with a valid BCIA certification, or willing to earn same within 6 months of employment. The successful candidate should be comfortable working with a team and be able to help grow the program with marketing and education. This is a full time position without travel. Experience with pain patients encouraged.

Family Health West is community based non-profit organization on the western slope of Colorado 20 minutes from Grand Junction and 4 hours west of Denver. Fruita is known for it's excellent mountain and road biking, hiking, rafting and a plethora of outside activities. The Colorado National Monument is out our back door. We have a multidisciplinary pain program which includes physiatry, anesthesiology, 3 physician extenders, neurosurgery and comprehensive adult and pediatric physical therapy program.

Interested candidates should email a CV to Dr Ellen Price at eprice@fhw.org
