

YOUR GUIDES TO BRAIN HEALTH

Job Title:	Director of Neuroscience
Position Type	Immediate Full Time
Location:	Bozeman, Montana
Level/Salary Range:	Very competitive salary commensurate with education, experience, training and licensing Warm working environment, health insurance and vacation included
Reports To:	Chief Operating Officer
Contact:	rwhitley@whylifeworks.com

LifeWorks Health and Neuroscience is a first of its kind, science based, residential brain health program set in the spectacular Montana Rocky Mountains. Our trademarked *7 Platforms* teach lifelong lifestyle changes to achieve brain optimization and to delay or prevent brain disease. LifeWorks seeks an experienced candidate with a minimum of a Masters level degree and Neurofeedback and qEEG training (BCIA certification is preferred).

Please email your CV to: rwhitley@whylifeworks.com
